THE MODERATOR'S MESSAGE

Last June the delegates at our conference in Wenham, Massachusetts, displayed such a spirit of enthusiasm and confidence that it generated a great amount of promise for the future of our National Association.

In many ways the sentiment was expressed that by and large we have achieved success in our historic struggle to preserve and perpetuate the highest principles and politics of Congregationalism. Now it is time to get on with the business without too much fretting about the past.

The evidence of truth in this sentiment abounds. With the help of God we have survived and are growing healthier and stronger each year. May we continue to look forward and be "...confident of this very thing, that he which hath begun a good work in (us) will perform it until the day of Jesus Christ".

FROM THE EXECUTIVE SECRETARY

One of the first acts of the old National Council of Congregational Churches was to authorize the publication of a YEARBOOK. In glancing through some of these early volumes, I have noted the frantic pleading of the Secretary for the churches to send their information in on time, so that publication need not be unduly delayed. I read of assurances given, and not always honored, which promised that "next year its arrival be different." Then the same pleadings again. All of which may suggest that times have not changed very much. One interesting feature found in the earlier volumes, and later (mercifully) omitted, was a recording of the causes of death of the ministers who had gone to their reward during the preceding year. Picture, if you can, the kind of speculation which must have followed the reading of this description of the cause of death of one of its clergy, "Died of the accidental swallowing of a cork, 1891, May 3."

The YEARBOOK, with its statistical tables, listing of officers, commissions, boards and committee members, is the mirror which we hold up to ourselves and the picture we hold up to the world.

If, as you glean its pages, you discover errors, I hope you will inform our office of them. If there are omissions, I hope you will check to be certain we were sent the requested information as well as inquiring of us whether we received it. When we call the roll each year, it is always reassuring to hear the response "aye" from our churches, and disconcerting when no reply is forthcoming.

As nearly as anything we do nationally, the YEARBOOK wraps up our fellowship in a single package. I hope as you read it, you will sense the deeper meaning of sharing, as followers of Jesus Christ, we walk a pathway illuminated by His spirit and looking toward the "city which has foundations whose builder and maker is God."

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, Churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by Churches and voting privileges are accorded only to delegates from the Churches. If other provisions prevail, a brief descriptive sentence follows the name of the organization.

An "X" appearing before the name indicates that updated information has not been received and that the data included is reprinted from last year's Yearbook. Groups which have not responded in two years to requests for information are omitted from this Yearbook to avoid publication of outdated information.

The groups are listed alphabetically by state or geographical area.

THE DIVISIONS OF THE CORPORATION BUILDING AND LOAN FUND

The Building and Loan Fund was originally incorporated in April, 1959, (without stock and not for profit). In March, 1962 the incorporated Fund was dissolved and its assets were transferred to the corporation for the National Association with the Building and Loan Fund becoming a Division of the Corporation.

Its purpose is to promote, encourage, assist, and in any manner aid the establishment, building, remodeling, maintenance, repair, location and/or relocation of Congregational Christian Churches which are members of or affiliated with the National Association of Congregational Christian Churches. It seeks and encourages contributions from Churches and individuals so that it may extend assistance to an increasing number of Churches.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES

Since 1961, the Congregational Foundation for Theological Studies has been providing counsel and financial grants to students preparing for a Christian vocation. The primary concern of this Division is to provide our local Churches with well-trained pastoral leadership.

To date, fifty students have benefited from the counsel of the Dean, the assistance of an advisor and financial grants.

The Foundation's program is available to a well-qualified person determined to become a Minister, Director of Religious Education or some other kind of special Minister or Teacher.

To continue its mission, the Foundation is dependent upon the member Churches of the Association to provide several things:

1. Regular fiscal support.
2. Encouragement to young people in their parish to consider becoming a parish minister, Director of Religious Education or prepare for a special kind of ministry.
3. Provide the Dean with the names and addresses of persons showing such an interest.
4. Provide practical work experiences in the local church for seminary students.

THE MISSIONARY SOCIETY

A statement of purpose for the Missionary Society, a division of the Corporation for the National Association, appears in the By-laws of the Corporation as follows:

“To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by the vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the Congregational Christian Churches as stated in the Articles of Association and By-laws of the National Association of Congregational Christian Churches of the United States.”

The activities of the Missionary Society are managed by a board of thirteen members. The Board of Directors of the Corporation (Executive Committee of the National Association) appoints four members each year for three year terms and one corporate member for a one year term, to the board. All funds received are disbursed through the Treasurer of the National Association.

One hundred percent of the funds received for missionary work from the churches, their organizations, and individuals, is used for missionary work because of the provision that funds necessary for administration and promotion are included in the budget of the National Association. Designation of gifts for specific missionary projects is faithfully complied with in the disbursement of funds.

In 1975 the Missionary Society is supporting Congregationalism in many communities across our country, including churches in Alaska and Hawaii, together with mission work in nine countries overseas. A gradual increase in all major areas of interest and concern is to be expected.

Exact areas of work, and details of all missionary concerns, are given in the Missions Directory.

COMMISSIONS OF THE NATIONAL ASSOCIATION

The Functions of the Commission

The Commissions of the National Association actually are extended sub-committees of the Executive Committee, charged with responsibilities in specific areas of concern such as Christian Education, the Ministry, Publications, World Christian Relations, Spiritual Resources, Women, and Youth.

The Executive Committee designates a liaison representative to each Commission. Commission members are to be nominated by the Executive Committee and elected by the National Association, after nominations from the floor, for three-year terms so that one-third of the membership changes each year. The Executive Committee also appoints the chairman of each Commission for a one-year term, after consultation with each Commission.

In practice, the Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee, including recommendations for actions by the Executive Committee. Some of these recommendations require further action by the National Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations in turn are submitted at the Annual Meeting.

In the case of some of the older Commissions, records are not available on the enabling resolutions which originally brought them into existence. It has therefore been necessary to draft a current statement of their activities based on actual practice, as a matter of information to the membership of the National Association.

The Commissions meet twice a year; during the winter months and immediately before the Annual Meeting of the National Association. Seminars are planned by many of the Commissions in conjunction with the Annual Meeting of the National Association.

COMMISSION ON CHRISTIAN EDUCATION

The Commission on Christian Education was organized in 1957 to assist churches with their Christian Education programs and to help implement the progress of the Congregational Way.

Believing that our historical heritage embodies the basic principles of freedom and fellowship, the Commission devotes most of its efforts toward Heritage Materials designed for all ages. The Commission is also aware of the difficulty encountered by many churches in choosing a total curriculum and has provided charts and guides to aid each church in the evaluation and choice of curriculum materials suitable for its immediate needs.

It is our hope and prayer that through the influence of Christian Education the great freedoms of the Congregational Way will move forward to benefit all mankind and will inspire all to "stand fast in the liberty wherewith Christ has made us free."

COMMISSION ON THE MINISTRY

The basic responsibility of this Commission is the nurture of the Christian ministry in the churches of the National Association.

Working closely with the Associate Executive Secretary for Pastoral Relations, the Commission concerns itself with policy aspects of securing ministers and all problems arising within the purview of his office. The Commission has been assigned the responsibility of overseeing the endorsement of our ministers as chaplains in Federal government positions.

The Commission concerns itself with supervising financial assistance to our ministers facing emergency financial crises. The monies for this type of assistance come through special contributions to The Christmas Fund for Ministerial Assistance.

Because of the shortage of fully ordained ministers to serve many of our small low-budget churches, the Commission on the Ministry has established a training program for preparing Laymen to serve these churches in limited areas. A manual and other materials are available for a course in lay preaching from the Oak Creek office. The Commission is no less concerned with encouraging young men and women in entering full time Christian service, and therefore, retains a liaison relationship with the Foundation for Theological Studies.

Always concerned with safeguarding traditional Congregationalism, the Commission on the Ministry recommends, whenever requested, material in the area of faith and order in Congregationalism.

This Commission has inaugurated and has the responsibility for continuing the National Association Minister's Convocation held the second week following Easter each year.

This Commission has general oversight of both the annuity program and the hospital-medical insurance program presently being recommended to the ministers and Churches of our fellowship by the Commission. Information on these can be obtained by writing to the Executive Secretary.

THE CONGREGATIONALIST: Editor, Dr. Louis B. Gerhardt.

The Commission is charged with the responsibility of publishing materials which will be of assistance to churches and individuals in their religious life and which will promote the work of the National Association.

SPIRITUAL RESOURCES COMMISSION

The Spiritual Resources Committee, which stemmed from a motion made at the Hartford Meeting in 1963, was raised to Commission status at the 1967 Annual Meeting at Carthage College in Kenosha, Wisconsin, and charged by that Annual Meeting as follows:

The Spiritual Resources Commission shall be charged with the responsibility of encouraging and increasing the knowledge and love of God in both personal and corporate devotions, and of witnessing in the world to Christ and his Gospel.

The Spiritual Resources Commission undergirds the spiritual aspects of the National Association, and acts as a continuing stimulus to the devotional life of the Churches.

The Commission sums up its purpose by taking as its watchword Matthew 6:33 "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

WOMEN'S COMMISSION

The objective of the Women's Commission is to further the work of the Kingdom of God by uniting the women of the Congregational Christian Churches in Christian Fellowship through programs of education, spiritual growth, and testimony expressed in stewardship and service. The Commission seeks to be a clearing house for ideas and methods found effective in promoting women's responsibilities in the local Churches and in the larger area of the nation and the world.

The Commission is responsible for the Women's page in THE CONGREGATIONALIST each month and invites contributing articles and news items and pictures from all women's groups.

For assistance, helpful material is available upon request from the national office, P.O. Box 1620, Oak Creek, Wisconsin 53154. Among materials available are, program planning material for interesting programs, timely devotional readings, the Missions Directory as well as suggestions for hand work for missionary projects, and offering envelopes for the Women's Project. There is a slight charge for some of these materials to cover the cost of printing and mailing.

Each year, at the Annual Meeting of the National Association, the women select areas for our combined benevolences called the Women's Project. Each year our gifts have been larger and we hope for continued growth in our Women's Projects.

The Commission supports and encourages state and regional meetings of Congregational women and the formation where desired of statewide Congregational Women's Fellowships.

WORLD CHRISTIAN RELATIONS COMMISSION

The World Christian Relations Committee was brought into being at the Minneapolis meeting in 1962, and at Wichita in 1964 was given full Commission status.

In creating the Commission, the National Association charged it as follows:

"...The World Christian Relations Commission shall be charged with the responsibility for making effective witness to the Free Church Way in this country and around the world. It shall be the agency of the National Association of Congregational Christian Churches in initiating, implementing, sustaining and improving relations with all other established religious bodies in a spirit of fellowship."

The Commission is also charged with implementing our relationship to those agencies having a concern for Congregational Christian history and heritage. The vitally imperative obligation of making the Congregational voice heard in an ecclesiastical milieu where the presbyterial, episcopal, and papal claims are clear and insistent, rests with this Commission. The cause of Congregationalism will not be served by timid isolation. With wisdom, persistence, and imagination we will cause the Congregational Way to be seen among men.

COMMISSION ON YOUTH

It is the purpose of the Youth Commission to offer local churches youth program resources and support so that the churches can provide opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Youth Commission does not seek to provide a total program for the local church youth, rather, it seeks to support these groups and extend specific help when it is requested. In accord with this aim, the Commission engages in the continuing development of resource material for use by the churches.

Further, the Youth Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the National Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Youth Commission. These special programs are available to the High School and College young people of all National Association churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

PILGRIM FELLOWSHIP

The purpose of the National Association Pilgrim Fellowship is:

“To promote a free Christian way of life among the youth of our country; to unite all Congregational young people in worship, fellowship and service; to develop the spiritual qualities and leadership of youth; to convey our ideas to the world in Christian action.”

The activities of the NAPF are directed by national officers elected at the Annual Meeting. As a part of the program of the Commission on Youth, the NAPF operates under the Commission with the assistance of an advisor appointed by the Commission. The NAPF strives to serve local groups by providing aid and encouragement at the Annual Meeting and by communications throughout the year.

HERITAGE OF PILGRIM ENDEAVOR

HOPE is an active fellowship of young Congregationalists who have graduated from high school and who wish to continue their ties with the National Association. It operates under the guidance of the Youth Commission and has a director and assistant director appointed by the Commission. The objectives of HOPE are three fold:

1. To provide a continuing fellowship for Congregational young people who have graduated from high school.
2. To provide enthusiastic and dedicated leadership for the Pilgrim Fellowship.
3. To become intelligent and creative adult members of the National Association.

ARTICLES OF ASSOCIATION
of the

National Association of Congregational Christian Churches of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of the Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and,

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

Copies shall also be given to the elected Resolutions Committee.
 - (e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. In the event that the Resolutions Committee reports unfavorably as to any proposed resolution, such resolution can then be brought before the Annual Meeting for action only by the delegate, or his official alternate, of the member Church proposing such resolution.

1. *Executive Finance Committee*. The Executive Committee shall appoint an Executive Finance Committee consisting of seven members, including the Treasurer of the Association who shall be a voting member *ex officio*. Of the six remaining members,

initially two members shall be appointed for a term of one year, two members for two years, and two members for three years, but each term of membership thereafter shall be for three (3) years. No appointed member shall serve more than two (2) consecutive three (3) year terms, nor shall he or she serve or be nominated to serve on any other board, committee, commission or division of the Association so long as he or she is a member of the Executive Finance Committee. The Executive Finance Committee shall prepare the proposed annual budget for the Association and present it to the Executive Committee, which after adoption or modification in whole or in part shall present it to the Association for adoption and approval at its Annual Meetings. In addition, the Executive Finance Committee shall study, advise and make recommendations to the Executive Committee in all matters concerning financial affairs. In addition, the Executive Finance Committee shall execute and implement fiscal plans, policies and directives of the Executive Committee.

2. The expenses of the Association shall be met from voluntary contributions solicited from the Congregational Christian Churches in response to recommendations from the Executive Committee, and also from such receipts as may come to the Association in its meetings or through special gifts and legacies.

3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association. Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association, or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. Not less than five members of a Referendum Council shall and must be laymen. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain, and publish such a list. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The act of recordation shall be a mere acknowledgement of the fact that he is the pastor or minister of a member Church of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

2. There shall also be published a supplemental list containing the names of ordained Congregational ministers who are retired, or no longer engaged in full-time Christian service and licentiates.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of the inclusion of his name in these lists. In every case a listed person shall be a member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purposes of the National Association as stated in Article II of the Articles of Association.

- (a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.
- (b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a larger body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.
